

Diagram illustrating a DNA molecule structure with three regions labeled 11a, 11b, and 16a, 16b, and 16c. The sequences are as follows:

- Region 11a: TGGCCGTGTTT
- Region 11b: AAGGACCGG
- Region 16a: CCAATT
- Region 16b: AAGGACCGG
- Region 16c: CCAATT

The sequences are connected by dashed lines, indicating a continuous strand.
